

About The Program

The Licensed Paramedics – Experienced Track

Licensed Paramedics who wish to continue their education and obtain the BS can receive up to 45 credit hours of experiential credit for the EMT/Paramedic Licensure. BS courses are offered both on campus and online.

Curriculum includes university general education requirements, specialty courses, and elective classes to supplement their paramedic education.

The General Education Program is designed to support the students' development toward Graduate Attributes. General Education Assessment at Lindenwood aligns with specific learning outcomes that support a clearly articulated philosophy for general education. It is a meaningful, collaborative process that assures the quality of the student learning experience and promotes learning improvement.
