Corona Del Sol High School

"We are seeing the great potential Parchment has to help students and staff."
- *Susan Wood, Corona Del Sol HS Registrar*

Tempe, AZ

Corona Del Sol High School, part of the Tempe Union High School District, implemented Parchment Send in June 2011. In the two years since implementing, the institution has realized a dramatic improvement over their formally manual transcript process.

Prior to implementing Parchment Send, teachers were required to take class time to distribute transcript request cards to students and to collect completed cards for delivery to the Registrar. Now students simply place their transcript requests at parchment.com, saving students, faculty and staff valuable time.

Registrar, Susan Wood, notes that online delivery confirmation is a tremendously helpful feature, allowing her to quickly identify when a transcript has been delivered.
